LITTLE DRUMSTICKS.

A THRILLING STORY OF THE LEPONTINE ALPS.

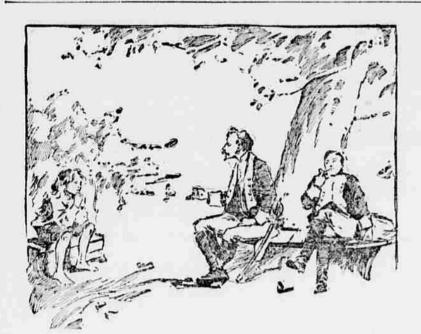

The Brave Drummer Boy Who Was Lost
Under an Avalanche of Snow
and Oved His Resene to a
Pair of Drum Sticks.

By T. C. Harbaugh.

(Copyright, 1885, by T. C. Harbaugh.)

When Little Drumsticks was born on the
rivers in France, the world had heard but
little of Napoleon Bonaparte.

As the peasant boy srew up, the connueror of Europe came to the front, as
mere the title the misting of the peasant boy srew up, the
command "Forward," and at the lead
of nothing elses but "the emperor,"
He used to listen to the solders talk of
the battles in which they were wounded, or
the work of the solders talk of
the regiment T. This Resource about the fellow has the front of the
ment of the fellow in the formatic of the formatic of the fellow in the fel

Total.

The fifes cost \$1 each a Turtesn-inch drum, with drums leks, \$6; a was drum. Sie, webbing for drum slows, a and a United States regulation flag, 63.15 feet, with frings and tussels, bruse spending did initiation cherry or walnut staff, southand, imitation cherry or walnut staff, southand, initiation for the house of walnut staff, southand, initiation for the house of walnut staff, southand the southand of the decident with the southand purso of the organization.

The above estimates are for rish boys, but just as fine effects and a clever work can be done for one-third tals outlay of money.

The Alove estimates are for rish boys, but just as fine effects and a clever work for the spandertes in the tegular army are sliver-bars for first flexibility and supplied, soil leaves for first flexibilityer carle for colonel, and sliver tenant general.

Nor need parents think that money they give their sons to spend in fitting out a company is thrown away.

If a thing is attempted it had better be well done, and a boys brigade should be a matter of pride to the town where it has its origin. It is not difficult to gain the interest of the citizene in terfocing the military detail of the little regiment, which ought to remember the old saying. The letter you dress a solider, the more highly be will be thought of."
